Tips for fair-goers

- ◆ Plan ahead for scheduled showtimes and "must see" events.
- ◆ Have a pre-arranged meeting place and time – don't forget watches!
- ◆ Locate bathrooms, and have a "go to" spot if the family gets separated.
- ◆ A small backpack with water, baby-wipes, disposable camera, etc., keeps hands free to enjoy exhibits, and provides a place to stash vendor give-aways.
- ◆ Well-behaved pets are welcome on a leash – they need water, too. Never leave them in the car, even in the shade.
- ◆ Rain is always a possibility; a lightweight jacket doubles as a straw-bale cushion or picnic cloth.
- ◆ Sunshine is always a possibility; consider a "granny cord" on those seldom-used sunglasses so they don't get set down somewhere & lost, tuck sunscreen in that backpack.
- ◆ Cash in small denominations makes snacks, trinkets & ride tickets quick & easy purchases.
- ◆ Discounted ride tickets are on sale at area groceries, Sunnycrest, and the Burger Shack until beginning of fair week-end.
